Types of events allowed for rental

Keep in mind that Fantasy Farm's mission is to create an environment of learning and connecting with exotic animals. Fantasy Farms, as a non-profit, private institution, reserves the right to determine which events are allowed use of our facility. The following guidelines should be noted when considering Fantasy Farms for your event.

- Fundraising event host organizations may be required to provide a copy of IRS letter confirming non-profit 501(c)3 status.
- Political events, including but not limited to fundraising and rallies may not be accepted for rental.
- Groups or organizations that condone or support values that are contrary to Fantasy Farms mission may not be considered for rental of our facility.
- Fantasy Farms does not allow organizations to sell on-site admission tickets to their event.

Events Costs

The base rental cost of Fantasy Farms is \$2,000. This charge includes use of the entire grounds for up to four (4) hours not including set up and clean up. Additional charges may include, but are not limited to security, DJ, guided tours, clean up labor, catering and bar, etc.

Fees for events of duration greater than four hours will be charged on a custom consultation basis.

Payment Schedule

We require a 20% deposit to confirm and reserve the date of your event. The balance is due seven days prior to your event date. We accept payments by check or electronic transfers. Checks should be made payable to Fantasy Farms.

Event Staff

We provide an Event Coordinator, Operations team and Security (for an additional charge) for all events. Our operations team facilitates guest interactions with the animals and leads guided tours, among other functions. The Event Coordinator will assist you with logistics during load in and will approve the satisfactory cleanup of food, beverage stations and décor following your event. The Operations team will be on hand to help with power and other facility-related needs, as well as in-house AV equipment.

Audio Visual

Fantasy Farms features a full DJ suite complete with light and music.

Caterers

Fantasy Farms requires that we approve caterers for all events. Each caterer must become familiar with the Fantasy Farm's facility, procedures, rules and regulations, and carry required insurance, health permits, and liquor liability insurance. Fantasy Farms partner caterers offer a variety of menus and price ranges, as well as excellent food and exceptional service.

Outside Vendors

Before each event, all vendors are required to schedule a walkthrough with a member of the Fantasy Farms team to make arrangements regarding deliveries, power needs, floor plans, loading areas, and pickup times. Outside vendors are also required to provide a certificate of insurance with an Additional Insured Endorsement meeting Fantasy Farms' insurance requirements. (See the Insurance Requirements section below for details.)

Floor Plans/Event Timelines

Fantasy Farms must approve specific plans involving event timelines, caterers, musicians, florists, and all décor including sound, plants, and lighting schemes. Approval must also be given for positioning of tables, bars, musicians, etc., and any special needs that the renter may have. All requests for planning must be received by Fantasy Farms by no later than three weeks prior to the event. Careful planning allows us to provide you with the greatest assistance to accommodate your needs and the ability to evaluate potential conflicts with farm operations well in advance.

Load In

Vendor load ins take place via the main entrance to Fantasy Farms and must be scheduled in advance.

Animal Exhibits

We feel that the value of an event experience at Fantasy Farms lies in the integrity of our animal exhibits. Many of our animals are wild and can be nervous in large crowds. For these reasons, we reserve the right to lead all tours of the facility and animals. Entering cages, teasing or in any way abusing animals, by any guest, will cause your event to be prematurely canceled and all monies non-refundable.

Power

Much of the available electricity in Fantasy Farms is used to power our exhibits. Many of our event spaces contain switches, which are available for event power.

The Fantasy Farms Operations team asks that you notify them of your power needs prior to the event. While we can accommodate most requests, we may ask that you provide a generator. Fantasy Farms does not provide extension cords or other equipment, and we require that any cables on the floor be safely covered and taped using Gaer's tape.

Music

Fantasy Farms has a complete DJ suite loaded with music, lights and effects. Our preferred in house DJ is available for an additional charge. We will work with you regarding any outside music support needed.

Décor Restrictions

Glitter and confetti are not permitted, as they are difficult to remove from Fantasy Farms floors and exhibits. Nothing that may present any kind of danger to the animals' wellbeing will be allowed.

Load In/Out

All decorations, promotional materials, supplies, decor, etc. must be removed immediately following the event. Fantasy Farms does not have available storage areas, so rental deliveries and pickups must be made the same day as the event unless previously arranged with Fantasy Farms. There will be a charge for equipment that is not removed from Fantasy Farms after the event has concluded. Fantasy Farms is not responsible for any materials left behind.

Insurance

Fantasy Farms requires certificates of insurance from clients, caterers, and all vendors that meet the following:

- \$1,000,000 General Liability
- \$1,000,000 Automobile Liability
- \$5,000,000 Umbrella Liability (Renter and Caterer Only)
- \$1,000,000 Workers Compensation

In the event that the renter, its caterer, or any other vendor uses a beverage service, the beverage service must carry comprehensive general liability insurance, including liquor liability with a limit of liability not less than \$1,000,000. The renter or caterer must also carry host liquor-liability coverage as a part of its general liability insurance.

All caterers and vendors must also have Fantasy Farms listed on the insurance certificate as additional insured with the vendor's insurance to be primary and noncontributory.

Certificates of insurance should either refer to the specific event date or include the following description: "This additional insured coverage applies to any and all events held at Fantasy Farms."

Certificates of insurance must be received at least two weeks before an event.

Food & Beverage

Alcohol Policy

Fantasy Farm's list of partner caterers will include beverage-service options. Any alcohol must be poured by a licensed, insured bartender. Although a bartending service will manage the distribution of alcohol, the event sponsor is ultimately responsible for the safety of all its invitees, guests, agents, or subcontractors, including the distribution of alcohol. Absolutely no alcohol may be served to minors. Fantasy Farms reserves the right to confiscate alcohol and any illicit substances from underage attendees and to contact the appropriate authorities if deemed necessary.
